

## **Board Policy – Assessments and Examinations**

### **Board Policy 6162**

BRIDGES School Board believes that student assessments are an important instructional and accountability tool to measure the success of the overall instructional program of the school. The purpose of the examinations is to help students, parent/guardians and teachers identify each student's educational performance, growth and areas needing improvement in order to enhance teaching and learning. Examinations of student progress are based on numerous measures of student performance that provide a thorough evaluation and therefore, an extensive scope of the student's learning.

#### **Examinations Required by the State and Federal Governments**

BRIDGES Charter School students shall participate in all state and federal required examinations. Such examinations provide BRIDGES Charter School with information for evaluation and future planning. State and federal examinations also indicate BRIDGES Charter School's effectiveness in carrying out its educational mission.

Whenever examinations required by law are administered, the Executive Director of BCS or his/her designee shall provide parents/guardians written notice of the date of the examination, the uses and importance of the examination and the student's test results.

All examinations required by the state or federal law will be administered according to law on the dates required by law.

Special Education student shall participate in state and federal examinations according to their IEP.

Parents/guardians may obtain for their student an exemption for the state and deferral examinations only by written request sent to the Executive Director of BRIDGES Charter School or his/her designee.

#### **Grading**

Student progress evaluation provides information on student learning and where the student needs improvement. Parent/guardians are integral to student educational accomplishments. Therefore, parent/teacher conferences will be held as needed. Parent/guardians will receive report cards indicating their student's educational and citizenship progress. Parents/guardians will be notified of deficiencies in their student's educational program.

At back to school night, parents will be informed as to the goals and objectives of the class, grading procedures for academic and citizenship grades, classroom practices and procedures, and parent/guardian responsibilities including but not limited to volunteering at the school.

Teachers are responsible for setting objective standards for grading academics and citizenship and shall make these standards known to the parents/guardians. Teachers are responsible for assigning grades to the student in their classes. In the absence of a finding that the grade was inaccurate, an unsubstantiated personal conclusion or inference, a conclusion or inference outside of the observers' area of competence not based on the personal observation of a named person with the time and place of observation noted, misleading, or in violation of the privacy of other rights of the pupil, the grade shall be final. A grade change may not be made as the result of coercion by any person(s).

If a student or parent/ guardian believes a grade is unfair or inappropriate, the grade can be appealed with the BRIDGES employee who gave the grade, then the administration team as per the Complaint Policy. If the matter is still unresolved, the student or parent/guardian shall appeal in writing to the Board in accordance with the Complaint Policy procedures.

The appeal shall allege specifically how the teacher's grading system or a grade is;

1. Inaccurate
2. An unsubstantiated personal conclusion or inference
3. A conclusion or inference outside of the observer's area of competence
4. Note based on the personal observation of a named person with the time and place of the observation noted.
5. Misleading
6. In violation of the privacy of other rights of the pupil.

Student's grades will not be changed by the Board or the Executive Director or designee without the input of the teacher who assigned the grade.
