Dear 7th Grade Parent or Guardian,

Your child is being asked to take a survey at school. The survey includes questions about alcohol, tobacco, and other drug issues, as well as questions about school safety and the learning environment. Our school is required to collect data from this survey annually to be used as a tool to enhance our Comprehensive School Safety Plan. Participation in the survey is voluntary on the part of the student, and we hope you will encourage your child to participate so that his or her opinion and knowledge can be part of the information gleaned from the survey.

The survey is anonymous. No names or any other identifying information is connected to the answers except for the name of the school. Your child's classroom teacher will provide a designated time in class for your child to take the survey.

If you have questions, please contact Cindy McCarthy or your child's classroom teacher at 805-492-3569.

If you wish to view the survey, you may do so at the school office or on our webpage under the "Student Life" tab under the following section: (www.bridgescharter.org)

Sincerely,

Cindy McCarthy
